Letter of recommendation – Bobby LeMaire, PGW Solutions

To Whom It May Concern:

It is without hesitation that I provide my highest recommendation for PGW Solutions. I have had the personal and professional good fortune to work with Bobby on many projects such as LED lighting upgrades, energy efficient roofs and general electrical upgrades. All completed projects have exceeded expectation in workmanship and product quality. I have worked with Bobby for over 3 years, and I strongly recommend him for any project needs knowing that he will provide great value and service.

Sincerely,
